

## PUTTING THE GAME AWAY

1. When you are done playing, pour out all water from the bowl. Then, to ensure that no water remains inside the toilet, flush the handle repeatedly until water stops spraying out. This may take many flushes.
2. Leave the toilet upside down to dry thoroughly. When toilet is dry, store in an upright position.

### TO REPLACE BATTERIES

Replace demo batteries with alkaline batteries. Use a Phillips/cross head screwdriver (not included).

**x2 1.5V AA**  
**ALKALINE BATTERIES REQUIRED**  
**DEMO BATTERIES INCLUDED**

### IMPORTANT: BATTERY INFORMATION

#### ⚠ CAUTION:

#### 1. TO AVOID BATTERY LEAKAGE

- a. Always follow the instructions carefully. Use only batteries specified and be sure to insert them correctly by matching the + and - polarity markings.
- b. Do not mix old batteries and new batteries or standard (carbon-zinc) with alkaline batteries.
- c. Remove exhausted or dead batteries from the product.
- d. Remove batteries if product is not to be played with for a long time.
- e. Do not short-circuit the supply terminals.
- f. **RECHARGEABLE BATTERIES:** Do not mix these with any other types of batteries. Always remove from the product before recharging. Recharge batteries under adult supervision. **DO NOT RECHARGE OTHER TYPES OF BATTERIES.**

2. Should this product cause, or be affected by, local electrical interference, move it away from other electrical equipment. Reset (switching off and back on again or removing and re-inserting batteries) if necessary.

#### FCC STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy, and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
  - Increase the separation between the equipment and receiver.
  - Consult the dealer or an experienced radio/TV technician for help.
- Caution: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

# Toilet Trouble™

**AGES 4+**  
2+ Players  
ADULT ASSEMBLY  
REQUIRED.  
C0447

#### Contents:

- Game Base • Toilet Base •
- Toilet Tank with Toilet Paper Roll Spinner •
- Toilet Bowl with Lid

#### CAUTION:

**TO AVOID INJURY:** Use only clean tap water. Dry thoroughly after use. Read instructions thoroughly for use and care instructions.

## OBJECT

Flush without getting the gush! The last player left who doesn't get sprayed wins!

## ONE-TIME ASSEMBLY

1.

Carefully slide the notches of the toilet base through the holes in the game base.

2.

Attach the toilet bowl to the toilet base as shown. Gently push down until the parts click together.

3.

Attach the toilet tank to the toilet bowl as shown. Gently push down until the parts click together.

The first time you play, replace the batteries (see battery information on back page).

## GET READY!

**NOTE:** Prior to playing the game, thoroughly clean all surfaces using only tap water.

1. Make sure the toilet lid is flipped to the upward position.
2. Fill toilet bowl to the fill line with clean tap water.
3. Prepare the toilet for gameplay by flushing the handle until water begins to spray.

**NOTE:** Game works best when placed on a flat surface.

## LET'S PLAY!

The last person to have used the toilet goes first! Play continues to the left.

### ON YOUR TURN:

1. Place the toilet in front of you with the toilet bowl facing you.
2. Spin the toilet paper roll spinner.
3. Press down on the handle to flush the toilet the number of times shown on the spinner.
4. If you only hear a flushing sound but no water is sprayed when you flush, you are safe, and it's the next player's turn. If you get sprayed by the gush of water, you're out!

### WIN!

Continue to take turns spinning the toilet paper roll and flushing until only one player is left. The only player not to get sprayed by the toilet wins!
