# QUICK CUPS™

**GAME**  
By Haim Shafir

## CONTENTS:

24 Picture Cards • 1 Bell

30 Cups (6 sets of 5 different colors)

## OBJECT OF THE GAME

Earn the most cards by being the fastest player to arrange your cups in the same order as the picture card—and ring the bell!

### SET-UP

1. Each player takes a set of 5 cups in 5 different colors.
2. Place the bell in the center of the table.
3. Shuffle the cards and place the deck face down next to the bell.

### HOW TO PLAY

1. The youngest player goes first. Play continues in a clockwise direction.
2. The first player turns over the top card and places it on the table.
3. At the same time, all the players quickly arrange their cups to match the color sequence on the picture card.
4. Each player rings the bell when they are done.

**NOTE:** The picture cards show either a horizontal or vertical sequence of colors. Your cups must be arranged to match.

5. The first player to ring the bell wins the card if their cups correctly match the card. If not, then the second player to ring the bell wins the card if their cups are arranged correctly. If they are also wrong, the card goes to the next player, etc.

6. After the card is awarded, the next player turns over the top card and play continues as above.

## WINNING THE GAME

After all 24 cards have been played, the player with the most cards wins!
