

MEGA - FJORDS

This variant requires 2 copies of Fjords.

Variant by JeremiahClayton on www.boardgamegeek.com

SETUP: Remove 3 of the 6 starting tiles and the 2 all mountain tiles from the game. The game begins with the original 3 tiles. Players start the game with 6 farms and 32 plantations.

GAMEPLAY: The game is played as normal with a couple of exceptions:

Farms: Players must place all 6 farms on the gameboard. -2 points are scored for each unplayed farm at the end of the game.

Islands: Players are no longer prohibited from creating Islands.

Rounds: There is only one round in the game.

END OF GAME: The winner of the game is the player with the most plantations on the gameboard.
